John Wesley Early Learning Center's mission is to provide a high quality and nurturing learning experience, so that all children become lifelong learners.

PREADMISSION INFORMATION

Thank you for your interest in John Wesley Early Learning Center. Our goals and purpose are to provide a setting wherein a child may grow socially, emotionally, mentally and physically. To provide carefully planned programs and high-quality personnel to facilitate this growth. To provide opportunities for creative thinking and expression, both verbal and non-verbal and to aid in developing a feeling of self-confidence and self-worth as well as an understanding of the rights of others to facilitate cooperation and problem solving.

We are licensed by the Ohio Department of Job and Family Services, and our license is posted on the bulletin board in the preschool hallway along with our most recent inspection report. Anyone who desires additional information concerning the rules and regulations governing preschools should contact the Administrator at 513-825-0879.

The school operates half-day, **3 hour** classes for three, four, and five year olds. Morning classes meet from 9:00 to 12:00 a.m. Each class has a teacher with a Preschool Emphasis CDA, bachelor's degree and/or master's degree in education and a professionally trained teacher's assistant, making the adult-to-student ratios 1 to 7 for 3 yr. olds and 1 to 8 for 4 & 5 yr. olds.

The program is balanced to benefit all areas of child development and tailored to the needs and abilities of three, four and five year olds. Each group's activities include active play, structured and unstructured creative activities, teacher-directed activities, music and singing, perception and motor skill development activities, and skill building activities in the areas of language, math, writing, science, etc.

The 2026-2027 school year begins on Tuesday, September 8th, 2025, for the MTWTH 4-day classes, and our TTh 2-day.
